Von Ein Kunde This book presents the most logical and exegetical discussion of the role of women in the kingdom of God. Chapter 2, which defines functional equality, is a

must read for anyone who wants to take part in the discussion on the street or in the church. Rebecca Merrill Groothuis is a very thorough Christian, thinker, and writer. Do not dismiss this book as the influence of society, rather give it a thorough reading before coming to a conclusion. Sulia0 von 3 Kunden fanden die folgende Rezension hilfreich. A very modern approach to Scripture Von Ein Kunde This book is full of pleas to compassion, and many complex explanations are given in order to sidestep the Lord's plan for the role of women in the Church, as well as in marriage. Many of her arguments, while on the surface are intelligent and sensible, can easily cloud a person's mind and confuse them to what God has already ordained. It contains a lot of very smooth-talk, combined with elaborate research, to prove a point of view that is incorrect and unGodly.

Kurzbeschreibung "Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional proof texts," writes Rebecca Merrill Groothuis. And though faithful exegesis is certainly crucial, a "myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate." In *Good News for Women*, Groothuis looks at the Big Picture, the overall outline of biblical teaching on relationships between men and women. This provides the foundation for examining the passages specifically relating to gender issues. Written with the razor-sharp insight that prompted critical acclaim for Groothuis' first book, *Good News for Women* shows that: the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist proof texts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today
