Von Kevin Wells : Goodbye, Dearest Holly: Ten Years On (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Goodbye, Dearest Holly: Ten Years On (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
empfehlenswertVon stephan hoeschtoll geschriebene Story, sehr trurig da der Vater das Opfers auch das Buch aus

seine sicht geschrieben hat, sehr Personlich, kann ich weiter empfehlen

KurzbeschreibungSome tragedies become part of our national consciousness. On August 4 2002, Holly Wells and Jessica Chapman disappeared. For the next thirteen days, their families, the police, and the local community searched for them, while the nation watched in horrified suspense.Holly was a talented ten-year-old girl. Her parents, Kevin and Nicola, were certain she would be the first member of their family to go to university. Almost two weeks after Holly and Jessica went missing, their bodies were found dumped in a ditch and badly burned. Two days later, Ian Huntley was charged with their murders.In the terrible weeks that followed, Kevin started to make notes, fearful that he might forget important details. Goodbye, Dearest Holly tells the story of the nightmare that began on August 4th, from the moment it became clear that Holly and Jessica were missing, through the long investigation and its aftermath. An unflinching tale of surviving tragedy, Kevins diaries tell of battles with the media, police bureaucracy and the legal system. The book includes a gripping account of the trial and convictions of Huntley and Maxine Carr. Above all, Goodbye, Dearest Holly is a loving final act of fatherhood.In this updated edition of Kevin Wells best-selling book, which includes a new chapter, he tells how his family continue with their lives ten years on from Hollys death. It is the moving and emotional story of one familys battle to regain some semblance of normality.Praise for Goodbye, Dearest Holly:'A brutally honest account of what happens when innocence meets evil. Kevin Wells book is about a fathers love, a familys loss and a nations horror. If you want to know the true story of Soham then read it. Mail on SundayPressestimmenA brutally honest account of what happens when innocence meets evil. Kevin Wells' book is about a father's love, a family's loss and a nation's horror. If you want to know the true story of Soham then read it. (Sarah Oliver, Mail on Sunday)WerbetextNew and updated, the paperback edition of the bestselling true story of the murders of Holly Wells and Jessica Chapman, told with heart-rending honesty by Holly's father Kevin.
