Von Dannie Abse : Goodbye, Twentieth Century: 32 (Library of Wales) before purchasing it in order to gage whether or not it would be worth my time, and all praised Goodbye, Twentieth Century: 32 (Library of Wales):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Signed by the author!Von Sean SteinfegerHow glad I am that I opted for the hardback edition. I was delighted to see this is one of 200 signed by the author, who died recently.Beautiful book. Great writer and poet, as well as a surgeon. What a man. The world could do with more men like Dannie Abse.(Of course not every hardback of this book will be signed. But you never know, you might get lucky. With or without the signature, it's a book to cherish.)

Kurzbeschreibung Dannie Abse's rich mixture of Welsh and Jewish backgrounds, and his dual occupations of doctor and author, have led to what is widely regarded as one of the most readable, humorous and poignant autobiographies available today. Goodbye, Twentieth Century incorporates his acclaimed first volume of autobiography, A Poet in the Family, and in this new edition from the Library of Wales brings his life up to the present day and the outset of a new century. It includes a moving epilogue that speaks of his recent years which have brought tragedy and dramatic change to his life. Pressestimmen 'Incident and character are vividly depicted, period is richly evoked and the descriptive passages remind one what a splendid poet the author is.'
