Von Rose Cooper : Gossip From the Girls' Room: A Blogtastic! Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Gossip From the Girls' Room: A Blogtastic! Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooSofia Becker eavesdrops on the most popular girls at school to find out information for her blog. She wants only the juiciest gossip so her blog will become the most famous one in school. She's also hoping it will raise her own popularity status.There's only one problem...her blog's anonymous.Her blog has three features: Students in the News, Teachers in the News, and Parents in the News. When she hears gossip, she can't

help but post it - even if it might damage her friendships. Will Sofia's blog make her a super-star or send her to social Siberia? A cute tale for tween girls, very much like the DIARY OF A WIMPY KID series with cartoons and humor. The drawings are witty and make the diary an easy and fast read. Reviewed by: Jennifer Rummel

Kurzbeschreibung Diary of a Wimpy Kid for girls! Gossip from the Girls Room fills readers in on all there is to learn about middle school life at Middlebrooke, where Sofia has her very own blog and discusses all the juicy gossip that comes out of the Girls room; read along to find out just what happens when class is not in session. In Sofia's words . . . Mia St. Claire is only the most popular girl in all of Middlebrooke Middle School. For three very obvious reasons: 1. She's very rich. 2. She has tons of money. 3. She can buy anything and everything she wants. And she does. I'm sure people like her for other reasons too, but none of those reasons are obvious enough for me to really know. Or care about, for that matter. Pressestimmen "Diary of a Wimpy Kid meets Harriet the Spy." - Keeper of all Wisdom (blog) "Rose Cooper brings Sofia to life in her debut book... Through her witty words and sketches, Cooper is able to take a serious concept, bullying and name-calling, and show readers why it's a bad idea." - GirlsLife.com "I really enjoyed reading this book... It's totally BLOGTASTIC!" - National Geographic Kids "Written as a journal with illustrations and asides, this humorous take on trying to fit in will find wide appeal. Hand this to female fans of the Diary of a Wimpy Kid books, and they'll soon start anticipating Sophia's next adventure." - Booklist "Cooper keenly captures Sofia's quintessential preteen voice: spunky and full of a blustering bravado meant to mask her vulnerability. Sofia's experiences, recorded in faux-hand printing on lined paper, and the many hilarious sketches scattered throughout the journal will garner groans and laughs from readers." - Kirkus s "The tone here is frothy and middle-school histrionic, making Sofia a wonderfully entertaining voice... Coopers black-and-white sketches add additional comic appeal; particularly amusing are the portraits, composed with big-eyed manga flair and a caricature-esque attention to defining details." - The Bulletin of the Center for Children's Books Kurzbeschreibung Diary of a Wimpy Kid for girls!
