Witzig und unterhaltsam geschrieben. erinnert an Sex and the City im Teenageralter. Es handelt von einer Clique Jugendlichen mit reichen Eltern, die in New York das High-Society Leben genieen.Das Englisch ist recht einfach geschrieben, allerdings sehr

umgangssprachlich. Mit 5 Jahren Englischunterricht in der Schule konnte ich es gut verstehen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Von Melanie Frank Hat alles gepasst. Bin sehr zufrieden mit dem Artikel den ich wie bestellt bekommen habe und freute mich sehr ber die Ankunft.

Kurzbeschreibung It's Christmas and Blair and Serena are best friends again and up to their old tricks - partying hard and breaking hearts from Park Avenue to the Caribbean. Blair's mother and Cyrus are having their honeymoon in Salt Key. And when school finishes, Blair, Serena, Aaron and company head down to blow off steam after their exams, and in between Pina Coladas, Blair and Serena plot revenge on super-jerk Chuck Bass. Then it is back to NYC for Serena's New Year's Eve party, during which Nate and Blair need to sort out their relationship, and Serena may or not be revealed to be the secret fling of Hollywood's hottest young leading man . . . deS and B and J and N are back, along with A, D, V, and assorted other rich, catty Manhattan teenagers in this third installment of the Gossip Girl series. An omniscient and anonymous narrator keeps track of the scene in www.gossipgirl.net (now an actual site), where the rumors fly, backs are stabbed, and celebrity sightings are dutifully reported. Serena (S) and Blair (B) are best friends again, shoring each other up as Blair faces life without her ex, Nate, who has hooked up with a sweet, busty 14-year-old, and Serena fends off advances from drop-dead-gorgeous rock star, Flow. Life's rough. Meanwhile, Vanessa and Dan play the will-he/wont-he game of sex, and Aaron tries to thwart his own crush on new stepsister Blair. They're the teens you love to hate, and yet it's not all trash. Beneath the designer name-obsessed veneer and the nasty soap opera quality of Gossip Girl novels, there's plenty that's true and real for any teenager. Angst, creative passion, love, college applications, drinking, smoking, sexsure, these kids are obnoxious and spoiled, but their core issues are not a million miles away from every other teens. And you know you love it.
