a believers life. Understanding God's grace will set you free , because His grace has set us free. This will pierce your heart with the truth's of God's love and abounding, overflowing grace towards those who He has saved by the work Jesus did and completed on the Cross for our salvation.

KurzbeschreibungThe eulogies of Charles Spurgeon's preaching are almost endless. It is a preaching legacy that can never be forgotten; it may never be surpassed. Considered by his peers then and now as "The Prince of Preachers," Charles Spurgeon will stand for many years to come as the epitome of pulpit mastery. Joseph Parker, another of London's famous preachers, wrote: "Mr. Spurgeon's career has proved that evangelical teaching can draw around itself the greatest congregation in the world, and hold it for a lifetime. ... The great voice has ceased. It was the mightiest voice I ever heard." Spurgeon built London's Metropolitan Tabernacle into the world's largest independent congregation during the nineteenth century. At the core of Spurgeon's passionate biblical expositing was always the abounding grace of God. It was the central doctrine around which his message and ministry focused. Grace tells a man that, in spite of all that is true about him, God still looks on him with love. And that, Spurgeon said, "is a grand sight to behold!" Yet history has proven, and personal Christian experience proves, that it is so easy to lose sight of the grace of God and to fall prey to religious legalism. Spiritual freedom in Christ will be challenged at every point and can only be overcome by faith. Spurgeon's teaching will help you experience the exceeding riches of grace in its fullness and to live in the tender mercy of our God.
