Von Felicia Pearson : Grace After Midnight: A Memoir (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Grace After Midnight: A Memoir (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. What a wonderful and touching storyVon Nikko LausWhat a wonderful and deeply touching story, what a great inspiring person! Best memoir I ever had the grace of reading. This book should be main part of every school in the US and

other english speaking countries.

Kurzbeschreibung Felicia Pearson, who starred of the acclaimed television series 'The Wire', reveals her incredible, hard-knock life story, one that dramatically parallels her television character. While Felicia is a brilliant actor who played a truly chilling role, what's most remarkable about "Snoop" is what she has overcome in her life. Snoop was born a three-pound cross-eyed crack baby in East Baltimore. Those streets are among the toughest in the world, but Snoop was tougher. The runt of the ghetto showed an early aptitude for drug slinging and violence and thrived as a baby gangsta until she landed in Jessup state penitentiary after killing a woman in self-defense. There she rebelled violently against the system, and it was only through the cosmic intervention of her mentor, Uncle Loney, that she turned her life around. Eventually, Snoop was discovered in a nightclub by one of The Wire's cast members and quickly recruited to be one of television's most frightening and intriguing villains. While the story of coming up from the hood has been told by Antwone Fisher and Chris Gardner, among others, Snoop's tale goes far deeper into The Life than any previous books. And like Mary Karr's story, Snoop's is a woman's story from a fresh point of view. She defied traditional conventions of gender and sexual preference on the hardest streets in America and in front of millions of viewers on TV. Pressestimmen "Raw and thought provoking...told with a bitter sweet elegance...the story of a child who buried her pain and then filled her life with violent behavior. But Snoop's journey is now a rainbow shining in the light of hope and wellness...and is a gift to us all." (Terrie M. Williams, author of Black Pain: It Just Looks Like We're Not Hurting) "Felicia's story is a reminder to me that through the depths of the worst unforeseen circumstances, that life can sometimes bring, the 2 things that we must never lose sight of, GOD's Grace, and Hope. Felicia is a perfect example of one who learned this the hard way and will now, never lose her way again." (Jamie Hector, NBC's Heroes) "Pearson's memoir is even more horrifying than the cold-blooded killer she portrays on The Wire." (Kirkus s) "A gripping story about overcoming obstacles in the face of great adversity and finding hope in the most unlikely place-television." (Ebony) "A remarkable book about a remarkable lady...will encourage anyone who aspires to be bigger and better than what they are...an awesome book to give to a young person as a Christmas gift." (Allhiphop.com) "This is no rage-to-riches story. In fact, it reads more like a miracle." (Essence) "Read her intriguing life story...it's a short, punchy ride of a book." (Giant) "A powerful story of someone trying to find her way in a dark world, realizing she can still choose her life's direction even in tremendously difficult circumstances. Pearson's narrative is spare, even poetic, rendering traumatic moments all the more powerful." (Publishers Weekly) Werbetext Felicia Pearson, star of the acclaimed TV series The Wire, reveals her incredible, hard-knock life story, one that dramatically parallels her tv character
