Von John Arnott, Carol Arnott : Grace Forgiveness (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Grace Forgiveness (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen

KurzbeschreibungIn this book John and Carol Arnott show us how the topics of grace and forgiveness are seamlessly

intertwined. We can only truly understand grace once we understand God's love towards us. But once we grasp the fundamentals of His love and grace, then we must come to understand that forgiveness is an essential, non-negotiable element of life in Christ. This is a book that teaches us how to live in grace and practice forgiveness regularly, and it also warns us of the dangers of trying to execute "justice" ourselves when people wound us. Throughout the book we read the amazing testimonies of those who decided to leave justice in the hands of God and live in grace, forgiving those who had hurt them, and we see that freedom and healing, sometimes physical, is the result. Kurzbeschreibung In this book John and Carol Arnott show us how the topics of grace and forgiveness are seamlessly intertwined.
