**Von English Teacher X : Grammar Slammer: How to Explain the Hard Stuff and Impress Difficult and Demanding Students (ETX Classroom Guides That Don't Suck Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grammar Slammer: How to Explain the Hard

Stuff and Impress Difficult and Demanding Students (ETX Classroom Guides That Don't Suck Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 2 Kunden fanden die folgende Rezension hilfreich. nettVon Susannenett aber habe mehr erwartet, nicht so wie beschrieben, doch etwas trocken und nicht sehr spaigxx xx xx xx

KurzbeschreibungEnglish Teacher X is back again, to apply his numerous years of hard-won experience (as well as his vicious cynicism and disturbed sense of humor) to one of the thorniest topics in the world of Teaching English as a Foreign Language: GRAMMAR. Grammar rules are of small help in learning to use a foreign language, but they are of great use in quieting anxious or know-it-all students who constantly challenge the teacher, as well as impressing bosses and managers and succeeding in job interviews for TEFL positions. English Teacher X provides a thorough look at some of the most common grammar points which come up in TEFL classes, and gives clear and detailed explanations of them, in addition to dialogues explicitly showing how to present and practice the information in class. Topics examined include: - All the terms you need to know- Verb tenses- Stuff students will try to test you with- How to practice all this stuff And many more!WARNING! The book is filled with heaping helpings of English Teacher X's usual sarcasm, obscene language, and crude humor, as well as his notoriously nihilistic outlook on the profession of TEFL. Please don't buy it if that kind of thing offends you.KurzbeschreibungEnglish Teacher X is back again, to apply his numerous years of hard-won experience (as well as his vicious cynicism and disturbed sense of humor) to one of the thorniest topics in the world of Teaching English as a Foreign Language: GRAMMAR.
