Excellent combination of Native Am. culture family love.Von Ein KundeThis is a superb children's story. I have read it to numerous elementary classes and have received warm responses. Children love the illustrations and the story of a little girl overcoming her nightmares and her homesickness while visiting her grandmother. They immediately grasp the story's message of family love, comfort, and support. We've had discussions ranging from recognizing and relating to Kim's fears and nightmares to recalling other Native American traditions.Teachers will appreciate this as a great addition to any Native American culture and/or family relationship curriculum. Families will appreciate it for the message of love and comfort.The warm illustrations and the directions for constructing a dreamcatcher make this a wonderful addition to any school or family library.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is all about quality time and love for family.Von Ein KundeThis is a charming and sweet story! I love the way that the

girl is so interested in her grandmother's teachings. The book is so moving. How many families do you know that really make so much time to spend with their families? I truly appreciate the focus on the relationship that the girl and her grandmother share. Grandmother's Dreamcatcher is sincerely a great book all about family and the basis of love. I highly recommend it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Classic Story Von Ein Kunde This is a classic story and will be timeless. The emotion and trust of family is woven into a beautiful story. It also encourages further study of Indians and their contribution to our society. Recommended for all ages.

Kurzbeschreibung While Kimmy's parents look for a house close to Daddy's job, Kimmy stays with her grandmother and learns how to make a dreamcatcher.
