Von Vibrant Publishers : **GRE Words In Context: List 2 (Test Prep Series Book 14) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised GRE Words In Context: List 2 (Test Prep Series Book 14) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kann von jeder Person mit dem Wunsch, ihren Wortschatz zu verbessern verwendet werdenVon Charles AshbacherDer Besitz eines groen Wortschatz, den Sie wissen, wie Sie ist eine der effizientesten Wege, um Leute zu beeindrucken, etwas, das wir alle haben von Zeit zu Zeit zu tun. Es gibt Zeiten, wenn Sie versuchen, in einem Interview, wo Ihre nchsten Job auf dem Spiel steht, ein anderes Mal ist es eine berlegene, wo Ihr Ziel ist es, Ihren Intellekt und Wrdigkeit fr den Aufstieg zu beweisen, und dann gibt es Zeiten, die Sie einnehmen, einen Test fr kritische beeindrucken werden

den nächsten entscheidenden Schritt in Ihrer Karriere. Dieses Buch enthält 500 Wörter, die berücksichtigt werden können Mitglieder eines erweiterten Wortschatz. Jedes Wort wird mit Aussprachehörer, Definition gegeben und dann in drei oder vier Stufen mit einem anderen Kontext verwendet. Das erklärte Ziel ist es, den Leser für das Graduate Record Examination (GRE), indem Sie durch Worte, die Teil der Prüfung sein und zu einem Gesamtanstieg des Vokabulars kann vorzubereiten. Das ist, was passiert, wenn Sie durch sie zu lesen, wird es eine allgemeine Erhöhung der Ihre Fähigkeiten Wort mit einem Anstieg der Wortschatz, die zu einer allgemeinen Verbesserung der alle Ihre Englisch-Kenntnisse, einschließlich Leseverständnis sein. Während es als Instrument für die Vorbereitung auf die GRE Reihe von Prüfungen aufgeführt ist, ist dies ein Buch, das effektiv von allen Menschen mit dem Wunsch, ihren Wortschatz zu verbessern und die allgemeine Fähigkeit zur Kommunikation genutzt werden kann. Dieses Buch wurde kostenlos zur Verfügung gestellt.

**Kurzbeschreibung** GRE Words In Context: List 2 500 GRE-level vocabulary words Three to five example sentences for each word Parts of speech, synonyms and dictionary definitions for each word Word List unlike any you have seen before! INCLUDES Valuable Tips and Strategies for Maximizing your use of the Word List Put your Preparation for the GRE on the Fast Track! What's in this Book? GRE Words in Context: List 2, like List 1, introduces 500 new GRE-level vocabulary words. The words in both the lists are unique. Each word is followed by its part of speech, synonym and/or descriptive meaning and three to five example sentences using that word in varied contexts. When appropriate, those varied contexts include both literal and figurative uses of the word. This approach of learning new and difficult words enables fully functional understanding of a word in all its complexities. How will our Word List Help You Prepare for the GRE? Performing well on the GRE General Test, especially its Verbal Reasoning section, requires a strong working knowledge of the vocabulary that appears in the questions how those words function both literally and figuratively, how their meanings vary based on context, and how (in many cases) they operate as more than one part of speech. Using All Three (3) of our Word Lists Can Put Your Preparation on the Fast Track We offer three (3) Word Lists to help you prepare for the GRE: List #1, List #2 (this list), and a Challenging list. It is important to remember that your goal is to be fully conversant in as many of these vocabulary words as possible. Why? You must not only recognize and comprehend the words when you encounter them in GRE test questions, but you must also utilize sophisticated vocabulary to express your own ideas in the Analytical Writing section of the test. It is to your advantage, therefore, to have as many high-level vocabulary words as possible at your disposal. This is especially difficult to do if your preparation time is limited. Working with all three lists, you can fast track your preparation by making it your first priority to activate your prior familiarity with all 1500 words across the lists. Because these are words with which you are already familiar, they will be the easiest to move (through your study of the word lists) from familiar to fully-functioning. As fully-functioning words in your vocabulary, you will be comfortable using them when composing your responses to the Analytical Writing tasks on the GRE. If, after activating as many familiar words as possible across all three (3) lists, you still have preparation time left, you may then turn your attention to the remaining words and use the word lists to help you become fully conversant in them. How Can our Word Lists Help You Beyond the GRE? The goal of entrance exams, like the GRE, is to anticipate the test-takers likelihood of success in the field into which they seek entry. Thus, the long view of mastering sophisticated vocabulary is that doing so will not only help you prepare for the GRE, but will simultaneously prepare you for what lies ahead: comprehending, analyzing, and evaluating graduate-level materials and writing with the complexity and sophistication expected of a graduate-level student. To put it simply: a fully-functioning, high-level vocabulary is the key to success in your graduate experience. Prepare for success NOW! **Kurzbeschreibung** GRE Words In Context: List 2 500 GRE-level vocabulary words Three to five example sentences for each word Parts of speech, synonyms and dictionary definitions for each word Word List unlike any you have seen before!
