Sehr ausfhrlich beschrieben, sehr beeindruckende Bilder. Ldt richtig ein zum Anschauen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice picture book with good ideas for the next adventureVon KundeNice picture book with good ideas for the next adventureI can recommend it for all who need a hint where to go next1 von 2 Kunden fanden die folgende Rezension hilfreich. Die Titelseite verspricht mehr...Von fortunaDie Titelseite verspricht mehr aufgrund der beiden schnen Bilder. Als Hobbyfotograf hatte ich mir davon mehr erhofft. Es sind Bilder vorhanden, aber nur teilweise ansprechend und dem Titel entsprechend. Ansonsten sind es eher nichtssagende Aufnahmen. Schade! Auch fr Europen ist das Buch eher nichts, da die meisten "Abenteuer" an anderen Orten der Welt stattfinden. Dabei hat

Europa auch viel zu bieten. Richtig Lust auf diese Abenteuer hat es bei mir jetzt nicht ausgelst.

Kurzbeschreibung This beautiful hardback takes the reader on 75 of the most amazing adventures on the planet. From the ultimate challenge of climbing Mount Everest to less strenuous but equally inspiring experiences like kayaking with orcas in Canada and cycling Vietnam's backroads, this is the definitive companion to the world's most spectacular adventures. With stunning photographs, sumptuous descriptions and practical information, this inspirational coffee table book will delight armchair explorers and bone fide adventurers alike. 'While it is lovely to linger over the stunning photos, there is a lot more to this sumptuously designed title - a follow-up to Great Journeys - than meets the eye? This is a perfect gift for the traveller in your life who might be tempted to ride the Tour de France's high passes or paraglide from Mont Blanc's pearly summit.' Sydney Morning Herald 'Whether you're active or just love reading about action, there's something here for everyone.' Australian Associated Press 'If you liked Lonely Planet's Great Journeys, you'll love the next in the series - Great Adventures? Even if you're not planning a trip it's great for armchair travelling.' The Times About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travellers' Choice Awards 2012 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Pressestimmen "The photographs are stunning, and each chapter includes several sidebars of information, a map and an array of practical planning tips. Just looking at the book alone makes you want to think about possibly moving beyond your own comfort level..." Amsterdam News "With gorgeous photos, practical information and armchair travel suggestions, the travel guide publisher prepares readers for an adventure." Battle Creek Enquirer "An inspiring, photo-packed stimulus package for wandering minds" Passport Magazine "Great Adventures: Experience the World at its Breathtaking Best... is a fine oversized collection of color photos capturing unique world adventures for both armchair readers and those contemplating their own global excursions. It's all about ice peaks, underwater caves, challenging bicycling trips, and natural beauty: chapters are packed with lovely images and paired with exciting text, making for an outstanding survey highly recommended for any adventure travel holding." Midwest Book "Great Adventures is a handsome 320-page coffee-table book, filled to bursting with stunning photographs of oceans, deserts, ancient cities, and, especially, perilous mountain overhangs, beneath which there always looms a bottomless abyss. The two-page opening spread of a craggy overlook in the French Alps will leave acrophobics reeling in panic." Perceptive Travel "In Lonely Planet's Great Adventures, the reader is treated to a breathtaking array of travel experiences, illustrated with beautiful photography." Los Angeles Times "There are no ho-hum wanderings in this guide to the best adventure trips on the planet. Stunning photography leads readers through great outdoor adventures like paragliding from Mont Blanc in France, tracking mountain gorillas in Uganda or perhaps cycling through Nepal. The reader will be enticed to hike, dive, bike and climb; above the earth, below the oceans, and on top of mountains. This is truly a candy box of adventures of a lifetime. Every endorphin seeking traveler will love this book." Wicked Good Travel Tips
