The best book I ever read.Von Ein KundeChuck Swindoll really challenged me with this book. I learned a lot about my life by learning about the life of

David. I face many of the same struggles he did. Swindoll wrote this book as if he were talking to you instead of writing a book. The personal touch helped in gaining a greater understanding of King David.0 von 0 Kunden fanden die folgende Rezension hilfreich. A book written with passion and destiny!Von Randall D. HuntEvery time a pick up a book from Swindoll's "Great Lives from God's Word" series I think that nothing can be better than the last one. Starting with Joseph and then reading Moses gave me the impression that these were his best. Now I've returned back and read David and continue to find that brother Chuck has been blessed with a deep understanding about God's word, God's people and God's ways. As with the other books, Chuck doesn't leave any stone unturned in David's life and digs deep into the things that we can all relate to. I recommend this reading especially to those who are facing the giants in life whether they are physical or spiritual. King David is a great study for all of us seeking to be a "man after God's own heart."

KurzbeschreibungDavid, unlike any Bible character before him, had the charisma to inspire a great nation. Yet in other ways he was a most ordinary man-often gripped by destructive passion, rocked by personal tragedy, and motivated by political gain. Yet, he is the one character the Bible describes as a "man after God's own heart." In this first volume of the "Great Lives" series Charles Swindoll shows how David proved his love for God many times over in an extraordinary life that left an enduring legacy of faith.KurzbeschreibungDavid, unlike any Bible character before him, had the charisma to inspire a great nation.
