KurzbeschreibungThe intimate and revealing memoir of the multi-award-winning telenovela and music superstar. In Growing Stronger, international superstar Thalia opens up for the first time about her rewarding and sometimes devastating life experiences. She reveals her most personal struggles-the loss of her father when she was just five years old, the shocking kidnapping of her sister, and her battle with a life-altering disease-and reflects on her greatest blessings, like husband Tommy Mottola and their daughter Sabrina. Through this process, Thalia discovers that only she could permit herself to accept the joys of life, let go of painful obstacles, and find her true balance. This empowering story will resonate with her millions of fans and new readers alike.
