Von Jim Cirillo : **Guns, Bullets, And Gunfights: Lessons And Tales From A Modern-Day Gunfighter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guns, Bullets, And Gunfights: Lessons And Tales From A Modern-Day Gunfighter:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This

book is really aimed to keep you alive! Von Radu C. This book draws a line between solid practical shooting that ensure you remain on the safe side and the rest of the staff that will prove to no avail in a real confrontation. Jim Cirillo is another great teacher that inspires in decisive moments. 2 von 2 Kunden fanden die folgende Rezension hilfreich. An excellent book for the more advanced student Von D. Levy While a book like Mas Ayoob's "In the Gravest Extreme" is written for someone new to the field of self-defense, this book is for the more advanced student. As such, it provides bits and pieces of information. A word of wisdom here, a pearl of knowledge there. More advance students should not expect anymore. I recommend this book as part of anyone library of self-defense books. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Easy to read book of Cirollo's experiences Von Ein Kunde Some very useful information on shooting and training techniques. Cirollo developed several variations of pointing and aiming which could come in handy if you practice using them. Interesting stories of gunfight survival and the skills and attitudes that the men who were so engaged had. Jim, how about another book with more details about your partner Allard and the other men in the unit and the skills and weapons they relied on as well as the bureacratic changes in the police department that impacted on morale?

Kurzbeschreibung Learn what it takes to survive a real gunfight from someone who's been in many - Jim Cirillo, top gun in the New York City Police Department stakeout unit. Read about the stress and intensity of an actual shoot-out and how to maximize your training, ammo and weapons to prevail.
