If you loved the first book, as I did, then this sequel is worth reading. I found it repeated a lot from the first book, though, and therefore did not enjoy it as I did Gypsy Boy.

Thank you very much Mikey for such a beautiful story, you are a hero. I am glad that I have discovered you and it has been a magnificent pleasure reading YOU

Kurzbeschreibung  
This is the incredible story of a boy who escaped from a secret world. Mikey is a Romany Gypsy and grew up living in a caravan on sites across the UK. He adored his family and the rich and vibrant Romany culture he'd inherited. Eventually though he was forced to make a heartbreaking decision - to stay and keep secrets, or escape and find somewhere to finally belong. But Mikey quickly discovers that life in the outside world isn't all he expected. After learning his father had put a contract out on him and that he was being hunted down by gangs of thugs determined to claim their reward, Mikey realises that life will never be the same again. Brimming with unforgettable characters, this extraordinary coming-of-age story will remind you that sometimes it takes courage (and the odd Disney song) to be the person you were meant to be.
