Von Adam Hochschild : **Half the Way Home: A Memoir of Father and Son** before purchasing it in order to gage whether or not it would be worth my time, and all praised Half the Way Home: A Memoir of Father and Son:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A must read if your parents kept their distance emotionallyVon Ein KundeI read this book in 1988 for an autobiography class, and reread it about once a year. It is the only book that has ever brought me to tears. Anyone with a parent who kept

their relationships with their children strictly formal will identify with this book.

**Kurzbeschreibung** From the author of the best-selling *King Leopold's Ghost*, this haunting and deeply honest memoir tells of Adam Hochschild's conflicted relationship with his father, the head of a multinational mining corporation. The author lyrically evokes his privileged childhood on an Adirondack estate, a colorful uncle who was a pioneer aviator and fighter ace, and his first explorations of the larger world he encountered as he came of age in the tumultuous 1960s. But above all this is a story of a father and his only son and of the unexpected peace finally made between them.
