Buy Peter for your children and grandchildren, and for your own inner child Von Convoke As an unabashed fan of Peter, I urge you not to delay: Buy yourself some Peter today. If you already are a Peter lover, you'll want this set for your collection. Halloween Mystical Peter, Bonfire Peter, Christmas Peter: Tiny Thoughts - Vol 11-13: Peter: A Darkened Fairytale Kindle Edition by William O'Brien (Author) is as spooky as a rainy night, as unequivocal as thunder, as stimulating as lightning. Peter is poetry for the 21st century, connecting, as all good literature does, to our forbears, but plowing new ground. Here's a sample: "For all that see, avoid the dark, a new path is shown near the park. A secret there for all that be, if you're brave enough, open me!" So do that, and your inner child will thank you. 0 von 0 Kunden

A Well-Crafted Collection ~Von 1DreamReaderThis trio pack of Mystical Peter, Bonfire Peter and Christmas Peteris a treasured collection of three of Author OBriens magical shorts to fit three different moods. As I have deemed this author as the Master of Enchantment every new story is crafted to enchant the senses and unleash emotions. These tiny shorts can be so diversified yet carry the mystique that only OBrien can craft. My favorite was Mystical Peter with its balance of dark and light elements. This makes an awesome gift or is a great family read to set the mood for the perfect occasion.

KurzbeschreibungWelcome to the world of Peter: A Darkened Fairytale.A drawer is a drawer, and a door is a door, one way in and one way out. What... not sure? A time in space has now arrived for some readers passing by and travelling through in a blip of time, goes so quick, like this rhyme. The thoughts one thinks may not be real and sometimes they will make you squeal. Biting, scratching, tastes hang true, inside this story you'll meet things new. Must be careful, for if you fall those evildoers will seize all. Taking bodies and minds of prey, trapped, entombed as darkness flays. If by chance you are done, chase the light chosen one. Staring from those eyes so bright, view things given with new sight. For all that see, avoid the dark, a new path is shown near the park. A secret there for all that be, if you're brave enough, open me!KurzbeschreibungWelcome to the world of Peter: A Darkened Fairytale.A drawer is a drawer, and a door is a door, one way in and one way out.
