Von Fr. Francis Randolph : Know Him in the Breaking of The Bread before purchasing it in order to gage whether or not it would be worth my time, and all praised Know Him in the Breaking of The Bread:

Kurzbeschreibung In accessible and lively prose, this book explains the ceremonies of the Catholic Mass and their meaning for lay people, including the young. It is designed to meet the widespread complaint that the Mass is boring, incomprehensible, or alienating. Fr. Randolph goes through the Mass step by step, looking at the origin and purpose of the various elements, and relating them to the reader's experience of prayer and the Christian life. Suggestions are made for ways to enhance our appreciation of the liturgy, how to prepare for Mass, and how to carry the grace of the Mass out into the world. A supplementary chapter looks at the use of Latin in the Mass, its past and present value, and explains it in the context of contemplative prayer.

Synopsis The Mass is the central act of Catholic worship: the heart of the Church. Yet today many Catholics are confused about the Mass. The numbers who actually attend have fallen steadily despite the period of intense liturgical reform that began in the 1960s.
