Von Laurence Mitchell : Kyrgyzstan (Bradt Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kyrgyzstan (Bradt Travel Guides):

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. Best guidebook on KyrgyzstanVon Julia SchoonWe started our 4-week-trip in Kyrgyzstan with a German guidebook

(Thomas Scholl: Kirgistan). Unfortunately you can only judge a guidebook's quality when you're on the road and realize there's important information and details missing here and there. That's what happened to us. But we were lucky: Some travellers gave us their "Bradt Kyrgyzstan" before flying home. And suddenly we had all these little bits and extra information and details that make individual travel so much easier and more interesting. Laurence Mitchell has really been to all these places and has done excellent research. We even found small villages and places that are even more off the beaten track than Kyrgyzstan is anyway in this guidebook. Of course, there's also well written background information and a language guide. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Gute allgemeine Info Von m. flex Alles in allem gute Grundinfo (best on market). Kritikpunkte: Hintergrundinfo könnte interessanter und packender gestaltet sein, manche Informationen zu Reisewegen ist nicht vorhanden, andere falsch, kyrillische Schrift fehlt leider bei Dictionary, Preise sind oft veraltet (nicht alle) und man muss 30-70% draufschlagen. Ich habe komischerweise ein Mängel exemplar erhalten und musste einige Seite selber auseinander schneiden - es wurde aber der volle Preis berechnet.

Kurzbeschreibung Deep within central Asia, Kyrgyzstan's beautiful mountainscapes, dreamlike rock formations and semi-nomadic culture are gloriously unspoiled. A trip here can be as adventurous as you please: admire 5,000-year-old petroglyphs at Saimaluu-Tash, gallop on horseback through the rugged Ala-Archa Canyon, visit Bishkek's Soviet-era statues or simply laze on the shores of the vast Lake Issyk-Kul. Now in its third edition, this remains the only English-language guide dedicated solely to Kyrgyzstan. It offers in-depth coverage of historical background, health, safety and transport, plus author recommendations on the best yurt camps and chaikhanas. Join Laurence Mitchell on a magnificent journey through the country's remote Silk Road villages, ancient conifer forests and rolling alpine meadows. Pressestimmen 'Bradt Guides are expertly written and longer on local detail than any others.' Michael Palin 'Utterly essential... particularly the dos and don'ts and basic phrases.'
