Schn zu lesen Von Steff Keine versteht es wie Alyson Noel ber die Probleme des Erwachsen werdens zu schreiben. In diesem Buch erzählt Alyson die Geschichte von Anne. Ihr neues Leben in Laguna Beach ist genau das Gegenteil von ihrem bisherigen Leben an der Ostküste. Als Anne schließlich doch Freunde findet beschließt sie Californien doch eine Chance zu geben. Da ist die wilde Lola, der freigeist Jade und die wunderschöne Ellie. Natürlich auch Jungs, Chris, ein wirklich

groartiger Kerl, der Anne das Surfen beibringt. Lola, Jade und Anne werden sehr schnell Freunde, doch so sehr sie es auch versucht, mit Ellie kommt sie nicht zurecht und je besser sie sich mit Chris versteht, je mehr hasst Ellie Anne. Aber Anne hat so hart daran gearbeitet ihren Platz im Leben zu finden, dass sie es sich durch Ellie nicht kaputt machen lassen will, und fngt an zu kmpfen. Spritzig, frisch und schn zu lesen. Fr jeden, der etwas von dem California way of life, ab haben mchte. Ich kann das Buch nur empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo Anne feels like she is being punished by her parents by being forced to move in with her dad. Her mom and dad are in the process of a divorce because Anne's mom has been cheating and is in love with her boyfriend. Anne is being pulled from the life that she loves; her amazing boyfriend, Justin, all of her friends, and her beloved diving team, which she was just crowned the captain of. Laguna Cove, where Anne's dad lives, is a rich neighborhood where the houses share a private beach. Her dad is never home because he is a big movie producer and she's in Laguna Cove for about a week before her dad even decides to come home. She is picked up at the airport by Jake, her dad's errand runner. He leaves her at the house to go surfing, which she quickly learns is the sport of choice in LC. Before Jake leaves, however, he introduces Anne to Chris, his best friend. Her first day of school is rough because she is way over-dressed and she doesn't know anyone. Except Chris. When he sees her before school, Chris calls her over to his group of friends, and introduces her to all of them. Everyone seems really nice, except for Ellie. Jade and Lola become her friends, and Chris her boyfriend, who even teaches her to surf. No matter how nice everyone is to Anne, though, Ellie is still really mean to her. And Anne has no idea why. Can Anne and Ellie ever be friends? And can Anne learn to surf well enough to compete in the Surf Fest competition? LAGUNA COVE is a super-easy, fast, fun read. All you need to enjoy summer is this book, a pool, and a cold drink! Reviewed by: Taylor Rector

Kurzbeschreibung In Alyson Nol's Laguna Cove, moving to sunny Southern Cal feels like punishment to 17-year-old Anne. The hippie-ish school is different from her old one on the East Coast, and the social scene is all about hanging out at the beach and surfing. And then there's Ellie: beautiful, competitive queen of the social scene who takes an instant disliking to Anne. So when Chris--one of Ellie's oldest friends and, oh yeah, the most gorgeous guy in school--reaches out to Anne and offers to teach her how to surf, sparks fly...in more ways than one ...
