KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Eine ordentliche VorstellungVon KimbleDas Lapbook-Buch gibt eine gute Vorstellung, was das überhaupt ist und wie es

umsetzbar ist. Ausserdem stellt es zahlreiche Hilfestellungen und Internetseiten vor. Einfach mal reinschauen und die Freude dran entdecken....1 von 1 Kunden fanden die folgende Rezension hilfreich. nicht das Geld wertVon MimiIch war sehr enttascht. Das Buch ist kaum mehr als eine dnne Brochre mit wenig Anregungen. Die Bilder sind nicht besonders hilfreich.0 von 1 Kunden fanden die folgende Rezension hilfreich. Good praisiveVon A. GlanzIt's a book with easy words written for examples. For school pupils untill the primary school. If anybody hasn't heard nothing about lapbooking before, its a good praisive more you can find in german literature. But if you are looking in the german literature you only find a laapbook about yourself.

KurzbeschreibungA lapbook is a portable project filled with pictures and other neat information about a topic. It's a great hands-on way for students to start learning about a topic, or to wrap up a study. But many teachers/parents are intimidated by where to begin with these great resources. Our goal is to take the unknown out of lapbooking and show you how easy it is to incorporate lapbooks into your educational options.KurzbeschreibungA lapbook is a portable project filled with pictures and other neat information about a topic.
