**Von Elizabeth Gilbert : Last American Man** before purchasing it in order to gage whether or not it would be worth my time, and all praised Last American Man:

KundenrezensionenHilfreichste Kundenrezensionen7 von 7 Kunden fanden die folgende Rezension hilfreich. A brilliant bookVon Olha PindyukI am not a big fan of a biopics genre and was afraid that "The Last American Man" would be somewhat boring reading. However this book turned out to be quite a pleasant surprise - it is very deep and thought-provoking, and also well-written. This was the second book of Elisabeth George I read (after "Eat, Pray,

Love"), and I start to consider this author to be one of my favorite ones. 0 von 0 Kunden fanden die folgende Rezension hilfreich. ich war enttäuscht Von KaRonach "eat, pray, love" für mich war es eine Enttäuschung, deshalb habe ich es nicht ganz bis zum Ende gelesen, 1 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr gut! Von Helena Ich liebe es, Elisabeth Gilbert zu lesen! Eine Autorin, die man einfach lesen möchte. Sie schreibt so authentisch. Auch das Thema von dem Buch fand ich sehr interessant. Es bleibt in Erinnerung, man lernt was daraus. Und sehr gut geschrieben!

**Kurzbeschreibung** At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed modern hero. *The Last American Man* is an unforgettable adventure story of an irrepressible life lived to the extreme. *The Last American Man* is a New York Times Notable Book and National Book Critics Circle Award Finalist.
