Von Andr Klein : Learn German With Stories: Caf in Berlin 10 Short Stories For Beginners before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn German With Stories: Caf in Berlin 10 Short Stories For Beginners:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great for beginnersVon SamI am just starting to learn German, and wanted to focus on learning vocabulary in context. I did some searching on , and found this and I am glad I ordered it. It is written in simple language that does not make you want to quite learning. It provides everyday essential vocabulary that will come handy sooner than you expect if you live in Germany. The chapters are short and each is followed by a "dictionary" i.e. all the words and phrases are explained in English. This is perfect because then you can just take the book with you and read it without having to

carry a dictionary with it around. It also has comprehension questions (after each chapter) and an answer key at the end. This is a great book for a beginner (A level for example), it will be too easy for a B1-2 level. I will get the other books in the series and definitely recommend this one. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Surprised by how readable it was. Von Stu-in-Flag I'm almost through my A2 course in German. While I didn't understand every word, I could clearly follow most of the text. Where I wasn't certain, the "glossary section" at the end of each chapter provided clarity. The quizzes at the end of every chapter are not super challenging, but they are a good check-up to make sure you understood. While the stories are not terribly complex, they do provide good insight to the deeper meaning of what people are saying. Finally, the regional information is helpful. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Must have for begginers Von John Snow The stories are really very short, they build up vocabulary quit gradually. This book is my sole source of learning German and I feel that I am making real progress. I will complete the whole series.

Kurzbeschreibung Newly arrived in Berlin, a young man from Sicily is thrown headlong into an unfamiliar urban lifestyle of unkempt bachelor pads, evanescent romances and cosmopolitan encounters of the strangest kind. How does he manage the new language? Will he find work? Experience daily life in the German capital through the eyes of a newcomer, learn about the country and its people, and improve your German effortlessly along the way! This book is designed to help beginners make the leap from studying isolated words and phrases to reading (and enjoying) naturally flowing German texts. Using simplified sentence structures and a very basic vocabulary, this collection of short stories is carefully crafted to allow even novice learners to appreciate and understand the intricacies of coherent German speech. Each chapter comes with a complete German-English dictionary, with a special emphasis on collocative phrases (high frequency word combinations), short sentences and expressions. By working with these building blocks instead of just single words, learners can accelerate their understanding and active usage of new material and make the learning process more fluid and fun.
