Von Ivelin Demirov : Learn JavaScript VISUALLY with Interactive Exercises: The Beautiful New Way to Learn a Programming Language (Learn Visually) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn JavaScript VISUALLY with Interactive Exercises: The Beautiful New Way to Learn a Programming Language (Learn Visually) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I like it...Von KundeNice illustrated short introduction for JavaScript. Clear construction for every topic (Description - Problem/code/answer).You can read it from start to end or pick out one topic ... as it says basic JavaScript level not

more. Because of the many pictures also children can use this for learning.

Kurzbeschreibung It's a beautifully illustrated full-color JavaScript book that teaches the fundamentals through Metaphors, Analogies and Easy Interactive Exercises. (Works on PC, Mac, iPad, other tablets) WHO IS THIS JAVASCRIPT BOOK FOR? If you answer YES to one or more of the following questions, this book is for you: I know a little HTML and CSS I tried to learn JavaScript before I find programming books boring I can't focus long enough reading technical texts I need to start really slow I am a graphic and/or web designer I have a book on JavaScript already I am a parent who wants to spark an interest in programming in my kids WHAT WILL I LEARN? How to read and write JavaScript The syntax of the language The most important concepts Programming terminology Basics of the object oriented programming Learn by Doing Exercises HOW IS THIS BOOK DIFFERENT? This is a short book for Visual Learners. Visual Learners retain information very differently than their left brained counter-parts, and thus benefit from different approaches. Full color illustrations help memory triggers as your brain never forgets an image, metaphor or schema. One page of this visual JavaScript guide can equal one chapter of a conventional book as illustrations can make a world of difference over strictly words on a page! Start learning today!
