KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Short and preciseVon CustomerTo-the-point information on learning a new language with ease. Friendly style, good-to-grasp pictures and information. A little selfmarketing at the end, presto.

KurzbeschreibungDid you know that the U.S. Department of Defense has labeled Russian as one of the most difficult languages in the world? With its strange alphabet and complex grammar, learning Russian can indeed be a

disheartening experience for many students. But with the development of new techniques like 'Contextual Learning,' 'Super-Literal Translation' and 'Pattern Recognition,' it's now possible to learn Russian quickly and easily. In this short book, you'll learn about the newest techniques that make learning Russian a breeze. Use them as you go through any Russian course, and you'll find yourself learning words, remembering them, and creating your own grammatical sentences with ease!
