Von D. James Kennedy : Led by the Carpenter before purchasing it in order to gauge whether or not it would be worth my time, and all praised Led by the Carpenter:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Carpenter's Plan for YOUR life Von Ein Kunde This was one of the best books I have ever read. It is very thought provoking. It is frightening when you realize the decline in the morality of our nation. This book has changed my thinking. I am not as complacent as I was. I am not going to sit by and wait for the someone else to make a difference.

I intend to live my life as a woman of integrity. With God's help, I will make a difference . . . one life at a time. I believe that if you read this book, it will make you a better person.

Kurzbeschreibung Christians know that we are to walk the walk that Christ walked, making everyday decisions as God would have us do. The recent popularity of the WWJD? Movement highlights this desire. Yet few Christians take the time to explore God's Will in every aspect of their lives and set goals that reflect a biblical approach to everyday life. D. James Kennedy uses biblical principles forged in his own life and in the life of the church to highlight practical ways for believers to go deeper in their spiritual walk and set long-term goals according to God's Will. Readers will learn to partner with Christ and set goals that will affect the way they interact with family, friends, church, community, colleagues, and their environment.
