BrauchbarVon LanthaniumSheldon Newton's Buch Lessons Learned As An Author las ich in der Kindle Version.  
Insgesamt benötigte ich für das eBook mindestens vier Stunden Zeit - ich las es über viele Tage verteilt etappenweise. Der  
Verfasser hat zehn Bücher religiösen Inhalts geschrieben und drucken lassen. Er beschreibt seine Erfahrungen mit  
Verlagen, vom Korrekturlesen bis zum Marketing. In Zeiten von Kindle Direct Publishing teilweise schon veraltet,  
aber z.B. was das Thema Marketing angeht durchaus interessant. Da ich das Buch auch noch während einer Promo-  
Phase umsonst erhielt - danke! - war es auf jeden Fall ein Gewinn, von Herrn Newton's Erfahrungen lernen zu dürfen.  
Das Buch handelt jedoch fast nur von der Produktionsseite.
