A down-to-earth explanation of basic spiritual laws Von Ein Kunde Emilie Cady was a remarkable woman; a true pioneer both professionally (she was a homeopathic physician in the late 1800's) and spiritually. Her understanding of metaphysical law, based in Christian theology, is clearly and profoundly stated in language any one can understand. I personally experienced a "spiritual quickening" while reading Lesson 11 on spiritual gifts. Her understanding of desire, its source and manifestation, clarified this issue for me and resonates as Truth. This book will benefit any truth-seeker, no matter what your religious affiliation is; truth is truth in whatever language you understand. Her writing style reminds me of Peace Pilgrim and I would recommend Peace's "Twelve Steps to Inner Peace." I also would recommend "The Light Shall Set You Free" by Dr. Norma Milanovich and Dr. Shirley McCune, as well as "Jesus Christ Heals" by Charles Fillmore. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The light that you so crave ... Von Ein Kunde Dr. Cady was a physician as well as metaphysician and her book is studied by thousands of Truth students all over the world. It has been translated into many languages and braille. Twelve chapters include Faith, Affirmations, Thinking, Spiritual Understanding, Statement of Being, and more. "The light that you so crave will come out of the deep silence

and become manifest to you from within yourself, if you will but keep still and look for it from that source." (93)

Kurzbeschreibung More than 100 years after this book first was published its power of expression has not diminished. This is a very powerful author teaching confidence in God for a harmonious and positive life - the highest form of Self esteem. Emilie Cady writes: We all have direct access through the Father in us--the central "I" of our being--to the great whole of life, love, wisdom, power, which is God. What we now want to know is how to receive more from the fountainhead and to make more and more of God (which is but another name for All-Good) manifest in our daily life. There is but one Source of being. This Source is the living fountain of all good, be it life, love, wisdom, power--the Giver of all good gifts. This source and you are connected, every moment of your existence. You have power to draw on this Source for all of good you are, or ever will be, capable of desiring. Lessons in Truth is a very powerful metaphysical book by H. Emilie Cady (it sold 1.5 million copies since it was first published). H. Emilie Cady was both a physician and metaphysician and is considered to be one of the foremost New Thought thinkers. If you are working for your spiritual growth, Lessons in Truth is the best book that you'll ever own. Learn the truth. Let the truth be revealed to you - "The light that you so crave will come out of the deep silence and become manifest to you from within yourself, if you will but keep still and look for it from that source." Twelve overwhelming, straightforward lessons that take the reader from total ignorance to spirituality. The lessons talk about the need for self control as a vehicle for spiritual development. In this book, various theories of mastery are put forth and discussed by the author. There are discussions on beliefs, the existence of God, joys of life, divinity and divine intervention. Contents Lesson One - Bondage or Liberty, Which? Lesson Two - Statement of Being Lesson Three - Thinking Lesson Four - Denials Lesson Five - Affirmations Lesson Six - Faith Lesson Seven - Personality and Individuality Lesson Eight - Spiritual Understanding Lesson Nine - The Secret Place of the Most High Lesson Ten - Finding the Secret Place Lesson Eleven - Spiritual Gifts Lesson Twelve - Unity of the Spirit Question Helps
