Von Jun Maeda : Let's Study Japanese: Japanese Language Guide With Grammar, Pronunciation, Common Phrases Sentences (Tuttle Language Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Study Japanese: Japanese Language Guide With Grammar, Pronunciation, Common Phrases Sentences (Tuttle Language Library):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Best all-round primer for English speakers to learn JapaneseVon Ein KundeThis little book is a gem and I recommend it to any English speakers who are considering learning the Japanese language. The entire contents of this book can be memorized in less than a month. Some of the patterns are a little stiff and unnatural, but they allow the learner to express themselves quickly without worry of offending. This book contains a solid pedagogical foundation which can be used for further study. For first-time visitors to Japan and others who need to learn to communicate quickly, this book, combined with Webster's Pocket English-Japanese dictionary will help shorten the learning curve and get you where you need to be.

KurzbeschreibungLet's Study Japanese is an introduction to basic Japanese that is concise, simple, and useful from the very first page.This Japanese language book is written specifically for tourists visiting Japan and can elevate readers to a basic speaking level in a very short time. With approximately 350 essential words and 130 pages of practical conversational usage, this handy Japanese language guide provides the basics needed to converse in simple Japanese.The book concentrates only on key grammar and pronunciation points. Most of the 26 lessons include exercises that reinforce vocabulary items and grammatical structures. Phrases and sentences are recycled for long-term learning. Over 200 simple illustrations allow even beginners to express themselves in spoken Japanese.
