Von Dan McCartney, Charles Clayton : Let the Reader Understand: A Guide to Interpreting and Applying the Bible (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Let the Reader Understand: A Guide to Interpreting and Applying the Bible (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great

intro on how to understand the Bible. Von cornbread47@hotmail.com This book is great for anyone who desires to grow in their ability to read the Bible the way it wants to be read. If you desire to really understand what "thus sayeth the LORD", you've got to learn what the Bible says about itself. "Let the Reader Understand", will get you started on that journey. It tackles complex material in a very understandable way. The Authors are great communicators! Learn more about how to learn about the one true God! Peace.....

Kurzbeschreibung Well, thats just your interpretation. For many people, interpreting the Bible is the art of making it say what they want. Even scholars often treat interpretation as a subjective exercise, not the search for true, objective meaning of texts. But hasnt God spoken definitively in Scripture? Shouldnt we be able to arrive at a good and true interpretation? Convinced that God wants us to understand his Word in all its literary genres, Dan McCartney and Charles Clayton have provided a thorough, readable introduction to biblical interpretation, now updated in this second edition to address postmodern approaches. Here is what reviewers said of the first edition: A fresh and insightful study of hermeneutics, scintillating in its scholarship. R. C. Sproul Comprehensive yet understandable. . . A helpful emphasis in the book is that interpretation is more than a cognitive exercise; it is also spiritual. Bibliotheca Sacra The best introduction to biblical hermeneutics. . . . Each section presents profound concepts simply and clearly. Bruce Waltke Skillfully combines the ingredients of reliable scholarship and practical wisdom. . . . a work which students at all levels will want to turn to again and again. Sinclair B. Ferguson An intelligible and comprehensive textbook on hermeneutics. But it goes beyond that and shows how the Bible ought to be used in worship, in witness, and for personal guidance.
