Moving contemporary romance...but not as good as her SEALsVon Ein KundeDon't get me wrong, I liked this book but the reason I gave it only three stars, was that it didn't live up to my expectations created by her excellent SEAL romances.The story had some very moving elements - I suffered with the hero, Jax, who was in love with the heroine, Kelly, when she was only 16...but I sadly missed all the excitement her later romances possess.So, all in all a good contemporary romance with good and likeable characters...but don't expect too much and consider that it was one of

her early works. From the backcover: So here I sit, writing letters that have no hope of reaching you until I am free to deliver them myself. With luck, that will be soon. For your eighteenth birthday is coming, and I intend to be there, like I promised..... For years, a trumped-up charge - and a Central American prison cell - kept Jax Winchester from claiming the girl he loved. Now he was a free man. Or was he? For only the memory of Kelly O'Brien - and the letters he'd composed to her - had kept him going. But once he was released, he knew he was still a prisoner - in a jail of his own making. They way out this time? Keep that promise he'd made Kelly all those years ago - and claim her for his own.....

Zunchst war es eine Jugendliebe: Kelly ist total in Jax, den besten Freund ihres grossen Bruders verliebt. Er begleitet sie sogar zu ihrem Abschlussball. Allerdings ist er fr Kelly zu diesem Zeitpunkt viel zu alt und die Beziehung der beiden wird von usseren Umstnden verhindert. Aber das ist nur der Hintergrund fr die Geschichte, die Jahre spter beginnt. Kelly ist an der Uni und hat schon mehrere Romane verffentlicht. Nun brennt sie darauf, ihre Lieblingsautorin, die ihre grosses Vorbild ist, kennenzulernen. Was sie nicht weiss ist, dass sich unter dem Pseudonym ihre grosse Liebe Jax verbirgt. Dieser ist nach Jahren wieder in der Stadt und hat sich vorgenommen, sich dieses Mal durch nichts von seinem Ziel, mit Kelly glcklich zu werden, abbringen zu lassen. Doch es gibt noch ein Geheimnis in seiner Vergangenheit, das er vor Kelly verbirgt... Das ist einer von Suzannes frhen Romanen, der hier das erste Mal verffentlicht wird. Die Geschichte ist anders, als die, die sie sonst schreibt, aber trotzdem eine herrliche, leichte Sommerlektre. Ihr Stil und die humorvollen Dialoge, die ihre Bcher auszeichnen sorgen auch hier fr ein tolles Lesevergnngen.

Just a few of the Seal ones, which were fabulous. This is a little different. More romantic, soft, sweet. Jax fell in love with sixteen year old Kelly, but he was chased away by her brother who thought he had raped, or would rape her. He bacame a politica prisoner, and spent seven years in jail for something he didn't do. The only thing that helped him to survive was his love for Kelly. He wrote her letters, that he never sent. On returning, he looks her up again. In the meantime, Kelly had married, divorced and was writing a book. The rest of the story is a sweet tale of how Jax wins her back, altho' he has a secret too, a secret that brings them together and keeps them together as the love grows again between them. I enjoyed this story, it was a quick and satisfying read. Suzanne's fans should not be disappointed, it's just different! Would be writers would also learn a few writing tips, I wonder if they are her own personal feelings? Probably.
