Von Rebecca Harding Davis : Life in the Iron-Mills; or, the Korl Woman (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Life in the Iron-Mills; or, the Korl Woman (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Classic - must read! Von KMI had not heard of this book before discussing it in my "American Realism" class. It is a bit gloomy,

but eye-opening.

She is deemed a pioneer of literary realism in American literature. Her most important literary work is the novella, *Life in the Iron Mills*, published in the April 1861 edition of the *Atlantic Monthly* which quickly made her an established female writer. Throughout her lifetime, Davis sought to effect social change for marginalized groups by intentionally writing about the plight of these groups in the 19th century.
