Ein wahrhaft inspirierendes und motivierendes BuchVon janilauIch musste lachen und gleichzeitig weinen whrend ich dieses Buch gelesen habe, es war eine wahre Achterbahn der Gefhle - einfach wunderbar!Das Buch ist gefllt mit Erlebnissen des Mdchens und spter der Frau Jayne, die einen Traum hat: Hawaii. Manchmal kann man nicht glauben,

dass all diese Dinge einem einzelnen Menschen widerfahren können aber was auch für Helden und Bausteine ihr in den Weg gelegt werden, sie steht immer auf und sieht nach vorn. Da dies eine wahre Geschichte ist birgt das Buch eine unglaubliche Kraft und reißt einen einfach mit, Jaynes Erfahrungen und Emotionen zu erleben. Jayne zeigt uns wie man seine Träume und Ziele verfolgt und dass es immer wert ist dafür zu kämpfen. Dieses Buch lehrt uns Mut, Zielstrebigkeit und Ausdauer und dass nichts aber auch gar nichts im Leben uns aufhalten sollte, es zu genießen denn 'Life is beautiful - no matter what!'

Kurzbeschreibung "Life is beautiful - No matter what" traces the ups and downs of a young Swiss girl as she struggles through a difficult childhood and into womanhood. Armed only with advice from her beloved grandma, she encounters deception, rejection, cancer, and heartbreak. The book follows her as she travels around the world in search of healing, both for her illness and for her scars on her soul. Will she find it at last on an island paradise? Successful independent film director and now author, Jayne Ruf Cloutier, weaves an emotionally compelling tale in this intensely personal autobiography. As the only child of the popular '60s Swiss musical duo, The Valentinos, Jayne spends much of her childhood estranged from her domineering and emotionally distant mother. Luckily her musician parents send Jayne to live with her grandmother in Germany while they tour Europe. At her grandma's knees, Jayne learns a philosophy of life that helps to carry her through adversity and illness. Against odds that would break even the strongest of wills, Jayne emerges as a triumphant and resilient woman, not only surviving, but thriving in the face of outrageous fortune.
