Von Douglas Adams : Life, the Universe and Everything (Hitchhiker's Guide to the Galaxy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Life, the Universe and Everything (Hitchhiker's Guide to the Galaxy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bibel im Bibel-OutfitVon Schnucki- puhAussen : BibelInnen: Besser als BibelNein, ganz im ernst, es ist das beste Buch das ich

je gelesen habe, meine Katzen heissen Zaphod, Trillian und Marvin. Die Aufmachung des Buchs ist der Hammer! Zugegeben musste ich, obwohl ich die deutsche Fassung mehrmals gelesen habe, bei manchen Wörtern nachschlagen, das Vogonische Gedicht ging im original ziemlich an mir vorbei. Trotzdem würde ich jederzeit mehrere Loblieder anstimmen um Inhalt und Gesamtaufmachung in den Himmel zu heben. Kauft dieses Buch! Diese ist die schönste und wertigste Ausgabe. Trotzdem ist der Inhalt das Beste daran. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schöne Zusammenfassung aller Teile Von Sandro L. Das Buch ist praktisch, da man alle Teile in einem Buch hat. Gerade preislich ist dies die beste Lösung, wenn man alle Teile lesen möchte. Dadurch ist das Buch natürlich schon ziemlich gewaltig (Größe und Gewicht). Um es in der Hand zu halten ist es auf Dauer zu unhandlich. Aber wenn man es beim Lesen auf einem Tisch oder seinem Schoß ablegt, geht es. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sad but entertaining Von Alice The only reason why this book will make you smile is because Douglas Adams wrote it - yes, the same Douglas Adams who wrote The Hitchhiker's Guide to the Galaxy. Other than that it's a unique compilation of the authors' search for the animals that are closest to extinction, unsure whether they will still find even one of them alive. Spoiler: They do find many. There is a follow-up series by the BBC (available on Youtube) by Stephen Fry and Mark Carwardine which I also highly recommend.

Kurzbeschreibung "HYSTERICAL!" --The Philadelphia Inquirer The unhappy inhabitants of planet Krikkit are sick of looking at the night sky above their heads--so they plan to destroy it. The universe, that is. Now only five individuals stand between the white killer robots of Krikkit and their goal of total annihilation. They are Arthur Dent, a mild-mannered space and time traveler, who tries to learn how to fly by throwing himself at the ground and missing; Ford Prefect, his best friend, who decides to go insane to see if he likes it; Slartibartfast, the indomitable vicepresident of the Campaign for Real Time, who travels in a ship powered by irrational behavior; Zaphod Beeblebrox, the two-headed, three-armed ex-head honcho of the Universe; and Trillian, the sexy space cadet who is torn between a persistent Thunder God and a very depressed Beeblebrox. How will it all end? Will it end? Only this stalwart crew knows as they try to avert "universal" Armageddon and save life as we know it--and don't know it! "ADAMS IS ONE OF THOSE RARE TREASURES: an author who, one senses, has as much fun writing as one has reading." --The Arizona Daily Star From the Paperback edition. Pressestimmen Wild satire . . . the feckless protagonist, Arthur Dent, is reminiscent of Vonnegut heroes. Chicago Tribune Adams is one of those rare treasures: an author who, one senses, has as much fun writing as one has reading. Arizona Daily Star From the Trade Paperback edition.
