immer mit Respekt und Achtung genossen habe, bin ich von seiner gesamten Lebensgeschichte dennoch tief berührt. Das seine Frau Marilyn in liebevoller Arbeit Berichte, Erzählungen, Bilder sowie kleine Momente in Frank's Leben gesammelt hat ist allein schon eine große Leistung. Daraus jedoch in eine Biografie zu formen die in Schreibstil und Wortwahl sicher auch über Amerikas Grenzen hinweg dieses Buch einzigartig macht, ist für mich wahrlich großartig. Frank's Leben ist für mich durch dieses Buch sehr plastisch dargestellt und Informationen zu seiner Herkunft, die Jahre der Flucht und des mehrfachen Neuanfangs in mehreren, internationalen Umfeldern hat mich enorm beeindruckt. Allein aus diesem Grund bewundere ich Frank in seiner Art wie ich ihn kennenlernen durfte und heute kenne und er ist immer ein bewundernswerter Mensch in meinem Leben der es oft in langen Gesprächen auch über die Kontinente hinweg mit seiner Lebenserfahrung und Meinung bereichert. Danke Frank und vor allem vielen Dank Marilyn für dieses Buch!

Kurzbeschreibung Finding freedom after WWII is just the beginning of Frank Levys journey from Berlin to the Middle East to America. By the time he is 13 Frank is a pro at starting over, shifting languages and cultures, even changing his name in a life molded by events beyond his control. Yet no matter where he goes, he is always marked by his accent. In America he earns a degree in mechanical engineering, has a family and succeeds at a career in textile machinery. When Frank has it all together, fate intervenes and he must reinvent himself again. Along the way he wins an international award for sustainable technology. But with every effort he makes, a person, an experience or a story emerges from the past proving that the history any immigrant lives through matters.
