What to say about it?Von 10 FingerschreiberFor Buddhist practitioners i see it as a jewel to have the opportunity to read this book.It is short and simple and from the private view of the writer,that "really lived" with HE as his disciple, what is truly part of the book and brings the reader closer.I was very happy to have an overview of His Eminence's life in this form. Thanks to to offer it

KurzbeschreibungMaster of masters, visionary, poet, revealer of profound spiritual treasures, Dudjom Rinpoche was a paramount figure in the history of twentieth-century Tibet. He worked closely with the present Dalai Lama to reinvigorate Tibetan culture and spiritual practice following the Chinese invasion of their homeland. Nyingma masters and devotees, both lay and ordained, unanimously appointed him Supreme Head of the Nyingma School of Tibetan Buddhism, and he served in this capacity until his death in 1987. He wrote poetry, music, history, and philosophy, and delivered unprecedented numbers of initiations and teachings. Written by a Nyingma master who served for several years as Dudjom Rinpoche's secretary, this biography celebrates a teacher whose hardships in exile did not diminish his zest for scholarship and practice.KurzbeschreibungMaster of masters, visionary, poet, revealer of profound spiritual treasures, Dudjom Rinpoche was a paramount figure in the history of twentieth-century Tibet.
