Helpful and easy to understandVon DavidSerge Remelli is explaining Lightroom CC and all its potential in a way everybody can understand. I've been following him on YouTube for a long time now and i love the way he is working with

Lightroom. He is not beating around the bush, he is pointing out the main things! Go and have a look at his YouTube channel and I'm sure you will get his book right away! I can recommend Lightroom CC Complete Training! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A must have for Lightroom users Von Anja Kallenbach Serge Ramelli gives really great video tutorials, I learned a lot from him! But it is now too great to have a book version too. It is much easier to find something back you would like to read again. This book is for beginners and for professionals, every body can learn something new. Everything is super good explained with a lot of pictures! I can highly recommend it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A perfect training for beginners and advanced users Von brennweite In the past I walked through a lot of online trainings about Adobe Lightroom. But Serge Ramelli explains everything in a very easy way. Furthermore after learning the basics you will receive the secrets to use Lightroom as quick and accurate as a professional to receive professional results. More than well done, this book.
