Tender Story about Belonging in a FamilyVon Renee ThorpeA great read-aloud for grades pre-K through 2, this is a wonderful story of a boy just trying to establish a relationship with his rough and ready step-dad. Bonus sub-plot of mom pregnant with the step-dad's twins. Heart-warming ending.Great story for all kids, but step-parent theme makes this of special interest to families involving a second marriage, step-siblings, or step-parent.Wonderful illustrations,

Kurzbeschreibung Illus. in full color. "Timid Alex strives to be like his rugged cowboy stepfather, and the two find a common bond when Alex 'rescues' Jake from a wolf spider. Jukes' quiet observations are unfaltering in their perceptiveness. Radiant full-page pastel illustrations serve as a striking counterpoint. This is an uplifting celebration of a new family's understanding, acceptance and love that resonates with truth and humor."--(starred) School Library Journal. From the Trade Paperback edition.
