Is that Lori on the Cover????Von Joyce DixonThe author is as beautiful as the cover model, and I swear, they must be the same person ;What a wonderful treat of mistaken impressions. Lace is so wonderfully giving, "colorful" and fun. Daniel is serious and responsible, and wants to protect his "innocent" sister from worldly Lace. Boy, does he have a LOT to learn!Lori Foster gives the reader a full emotional experience, with touches of family and lots of TENSION!!! This is a page-turner that will burn your fingers and fill your appetite. Yummy!!0 von 0 Kunden fanden die folgende

Rezension hilfreich. Loved Little Miss Innocent?!!!!Von lennar63@marinemwr.or.jpI loved the book!!! It was so funny to see the male psyche put to the test. Daniel really met his match with Lace and she gives as good as she gets. Its about time!!! The only thing I want to know is: Is there a book coming out on Annie and Guy?
