**Von James McCarthy : Liverpool FC - You'll Never Walk Alone (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Liverpool FC - You'll Never Walk Alone (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
GelungenVon Steffen IsraelVllt etwas zu grob aber an sich trotzdem lesenswertAls liverpool-fan wei man aber noch mehr als das was im buch steht

Kurzbeschreibung Liverpool are one of the most successful English clubs of all time. From their five European Cups to their eighteen League titles, they are one of the finest clubs in the history of the game. From their diehard fans, who will always get behind their team to their legendary players this book will explore the history of Liverpool Football Club from the highs to the lows. This book charts the early days when Liverpool were actually a part of Everton Football Club, something which seems mad to many fans today. It will also go through the glory days of Bill Shankly and Bob Paisley who rebuilt the club and founded a dynasty. The book culminates with the difficult recent years since the start of the Premier League and the renewed hope under the King, Kenny Dalglish.
