Von Michael Wells Glueck : Living Among The Swiss (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Among The Swiss (English Edition):

KurzbeschreibungThis book describes the author's experiences during eight years of living and working among the Swiss. It examines several aspects of the Swiss banking system from the viewpoints of consumers, investors, and employees. It depicts cultural differences as well as the practical difficulties confronting the new immigrant as he seeks to put down roots. It seeks to edify the vicarious traveler as well as those seriously considering relocation here. Finally, it celebrates in some detail the beauty of this relatively simple and honest land, with especial emphasis on the cantons of Berner Oberland, Graubunden and Wallis, as well as the environs of Zrich. While the observations focus on the German-Swiss, they are surprisingly applicable to the French- and Italian-speaking cantons as well. This book falls somewhere between a travel guide and a book of reflections and memoirs, and thus is an unashamedly open and frank reaction to a foreign way of life. Michael Wells Glueck's gaze falls on many aspects of Swiss existence, and it never loses its particular, unique focus. Living Among The Swiss will provide much information for the reader, who will learn from its pages a great deal about the world of Switzerland and beyond, and also be privileged to form a distinct picture of Mr. Glueck himself: a former Woodrow Wilson Fellow who taught English and Classics at Columbia and other U.S. universities for several years before entering the investment business in 1969. His biography is sketched in the 2001 and subsequent editions of Who's Who In America, as well as on his website,

EditAndPublishYourBook.com. **Kurzbeschreibung**This book describes the author's experiences during eight years of living and working among the Swiss. It examines several aspects of the Swiss banking system from the viewpoints of consumers, investors, and employees. It depicts cultural differences as well as the practical difficulties confronting the new immigrant as he seeks to put down roots. It seeks to edify the vicarious traveler as well as those seriously considering relocation here. Finally, it celebrates in some detail the beauty of this relatively simple and honest land, with especial emphasis on the cantons of Berner Oberland, Graubunden and Wallis, as well as the environs of Zrich. While the observations focus on the German-Swiss, they are surprisingly applicable to the French- and Italian-speaking cantons as well. This book falls somewhere between a travel guide and a book of reflections and memoirs, and thus is an unashamedly open and frank reaction to a foreign way of life. Michael Wells Glueck's gaze falls on many aspects of Swiss existence, and it never loses its particular, unique focus. Living Among The Swiss will provide much information for the reader, who will learn from its pages a great deal about the world of Switzerland and beyond, and also be privileged to form a distinct picture of Mr. Glueck himself: a former Woodrow Wilson Fellow who taught English and Classics at Columbia and other U.S. universities for several years before entering the investment business in 1969.
