Unterschiedliche Mentalitt erklrtVon LanthaniumDas eBook Living in Thailand - Finding Serenity... von Alan Reeder-Camponi erhielt ich kostenlos und danke dem Verfasser und . Ich las etwa drei Stunden an dem Buch. Der Autor ist ein Amerikaner, der ausgewandert ist und mit seiner thailndischen Frau dauerhaft in Thailand wohnt. Er vergleicht die

Mentalität von Thailändern und Amerikanern und stellt die Unterschiede am Beispiel aktueller Geschehnisse (Arztbesuch, Autounfall, Verbrechen usw.) heraus. Ich fand das Buch sehr gut geschrieben und informativ, auch im Hinblick auf die Veränderungen der Machtausübung nach dem Militärputsch.

Kurzbeschreibung Most people who visit Thailand are initially impressed by how differently Thais behave than Westerners. At first Westerners seem to find these differences charming. The people are so polite, smile so easily, and appear to be so happy, so soft, so warm. After Westerners live in Thailand for a while, some of these differences turn onto problems, issues that Westerners have a hard time understanding and accepting. This book is my attempt to make some sense of some of the differences between the worldviews of Westerners and Thais. I hope you will take a peek at the beginning of my book by reading the free introduction provided by . Like Alice on the cover of this book, we can take a trip down the rabbit hole together, trying to make sense of Wonderland/Thailand. Follow the white rabbit
