KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A healthy thought a day...Von sosoI really love this book. It is easy to read and has so much precious truth in it. There are four parts for each quarter of the year: Broken, loved, empowered and commissioned. So far I'm in the middle of the first quarter and from this point of view I can say: it is a good book when you're in the process of healing your

wounded heart. The author has good examples out of daily life to explain the truth in a simple way. And she really knows what she's talking about as she had walked this tough journey of healing herself.
