Amazing walk with God Von Kindle Customer this book surely does have the ability to bring you closer to God if you allow it to! a good read with lots of scripture!

Kurzbeschreibung In today's world, it's tough to make everyday decisions, let alone decisions that honor God. Our culture is increasingly driven by selfish desires. However, as Christians, our lives should not be self-centered and static; they should be others-centered and active, making a difference for the Kingdom of God. Living "So That" is a fresh approach to understanding God's Word, focusing on many of the powerful "so that" verses in Scripture, including Jesus Came So That. . . ; God Spoke So That. . . ; Pray So That. . . ; Trials Come So That. . . . Through her approachable style, personal examples, and biblical teaching, Wendy equips readers to take what they study in the Word of God and practically live it out in order to impact the world around them. The result is a renewed appreciation for the power and applicability of Scripture. Through practical examples and biblical truths, Wendy helps readers gain a new perspective on daily living, equipping them to apply these biblical truths to present-day decision-making. Features include: Going Deeper sections encourage readers to dig further into the truths presented; Call to Action sections challenge readers to take practical steps to apply what they have learned; Helpful tips and tools for practicing active faith.
