Von Gary Soto : Living Up The Street (Laurel-Leaf Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Up The Street (Laurel-Leaf Books):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Must

For A Teen... Von Ein Kunde I purchased this book about two weeks ago and it's probably the only book that I've enjoyed reading. While most stories are either too grim or too happy, this book offers both. This book tells about Gary Soto's ups and downs throughout his childhood, adolescence and even adult life. A book that anyone can relate to in one way or another, I would recommend it to anyone who wants to read something that is realistic yet a joy to read.

Kurzbeschreibung In a prose that is so beautiful it is poetry, we see the world of growing up and going somewhere through the dust and heat of Fresno's industrial side and beyond: It is a boy's coming of age in the barrio, parochial school, attending church, public summer school, and trying to fall out of love so he can join in a Little League baseball team. His is a clarity that rings constantly through the warmth and wry reality of these sometimes humorous, sometimes tragic, always human remembrances. Pressestimmen "One of those rare books that come from the author's heart, tempered by his intelligence and made alive by imaginative spirit." --San Francisco

Chronicle "Kurzbeschreibung In a prose that is so beautiful it is poetry, we see the world of growing up and going somewhere through the dust and heat of Fresno's industrial side and beyond: It is a boy's coming of age in the barrio, parochial school, attending church, public summer school, and trying to fall out of love so he can join in a Little League baseball team. His is a clarity that rings constantly through the warmth and wry reality of these sometimes humorous, sometimes tragic, always human remembrances.
