Von Wendy Widder : Living Whole Without a Better Half before purchasing it in order to gage whether or not it would be worth my time, and all praised Living Whole Without a Better Half:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Encouragement for SinglesVon Colette K. PaulyWidder does an excellent job of approaching singleness with a fresh perspective. She writes from the heart, with a passion for the truth of scripture, and a desire to encourage her readers.

The book balances real life experiences and stories with scripture. You will laugh at Widder's humorous stories and be refreshed by her down to earth attitude. Enjoy!

Kurzbeschreibung There are more singles in and out of the church today than ever before. Wendy Widder knows the struggles of being single from the inside out, and she has something to say. While there is no shortage of books about singlehood on the market, Widder's approach is markedly different. In *Living Whole Without a Better Half* readers study the characters in Hebrews 11. Widder uses these Biblical examples to show readers how to embrace singleness as an abundant life and a God-given gift, not as an unfortunate stage they should move past as quickly as possible. By examining the lives of biblical heroes such as Abraham, Moses, and Jacob, she reveals that trying to bargain with God to follow our plans and timing often keeps us from appreciating the opportunities he places in our path. Widder makes her case with wit and a wry humor that readers will appreciate and come back to again and again. Now with updated statistics, and a new preface, *Living Whole Without a Better Half* includes study questions that make it a great Bible study or small group resource.

Pressestimmen Refreshing and easy to read, humorous at times, but wholly focused on the topic at hand. Finally a book that gives singles permission to live rather than hunt for that significant other.

O- Trisha Bleau "T4J Library" (06/03/2004) Kurzbeschreibung There are more singles in and out of the church today than ever before.
