Die Hnde eines KriegersVon schlimmerdurst"Child of the Fields"Der kleine Daigoro zeigt wieder einmal, dass er aus dem gleichen Holz wie sein Vater geschnitzt ist. Trotz Erfrierungen versucht er, Itto zu retten - und denkt dabei trotzdem noch an das ausstehende Duell und das Versprechen, das sich die zwei Duellanten gegeben haben."In These Small Hands"Lernen Retsudo und Itto nichts aus ihren Fehlern? Wieder lassen sie Kaii ziehen, aus Dankbarkeit, weil er Daigoro heilen konnte. Und trotzdem ist sein erster Gedanke wieder, wie er ihnen in den Rcken fallen kann, denn er hat den geheimen Yagyu-Brief gefunden..."Kaii Triumphant"Der Shogun empfnigt Kaii, der sich sofort daran macht, ihm Worte wie Gift ins Ohr zu trufeln. Und er scheint Erfolg zu haben mit seiner Strategie, sowohl Itto als auch Retsudo aus dem Weg zu rumen."The Last Cherry Blossoms"Der Todgeweihte Itto mchte noch einmal in seinem alten Heim am Schrein beten - und auch Retsudo bekommt Besuch aus der Vergangenheit. Eine grafisch wirklich toll gemachte Szene zeigt, wie sehr die Aura Ittos auf die normalen Brger und auch Polizeibeamte wirkt - der Zeichner muss Itto nicht mehr selbst zeigen, sondern nur noch die Reaktionen der Brger."Stone Upon Stone"Retsudo wird in

das Schloss von Edo zitiert, um dem Shogun selbst Rechenschaft abzulegen, und vor dem Hohen Rat soll er seinen Verrat eingestehen. Doch so leicht lässt sich ein alter Wolf nicht ins Bockshorn jagen, und seine Abwehr der Vorwürfe führt dazu, dass das Duell zwischen Itto und Retsudo vielleicht an prominenter Stelle stattfinden werden muss. Die wellenfrmige Erzhlweise führt hier wieder zu einem ruhigeren Band, der sich wieder stark auf die Charakterzeichnung, insbesondere Retsudos, konzentriert. Das Ende ist nun mehr als je offen - wie sollen sich Itto und Retsudo duellieren können, wenn sie am Hof in Edo unter Beobachtung stehen? Ich kann das Ende kaum abwarten.

KurzbeschreibungHoly hand grenades! Edo is flooded, and by flooded, we mean crazy-flooded. Bridges are crumbling, rivers are washing past retaining walls, and everything in Edo is floating away, including our vengeful ronin, his foe, and his little boy. In an ironic show of samurai respect, little Cub Daigoro gets saved by the conniving Retsudo Yagyu. And proving he can lend a hand, too, Lone Wolf Ogami pulls someone to safety as well - but maybe he should have let him drown. Eventually, the two opposing master swordsmen dry off and go head to head in a sword fight of a thousand stances and couple of days length. This seems like it could be the deciding bout between the two, unless that nasty, Abeno Kaii gets in the way, and he seems to do that a lot lately. The true meaning of Bushido, the warrior code, oozes from every page of this volume. A little boy desperately attempts to drag his ronin father to safely, even if it costs him his own life; that same wandering samurai and his mortal enemy work together to save the frostbitten fingers of the same little boy, knowing they will eventually match swords again in a battle to the death; another samurai bites his own tongue, killing himself and locking a dark secret in his grave. The code of the samurai is complex and rich with irony, which is why so few carry this code through life. But as we draw closer to the conclusion of this epic struggle, the true bushi are stepping forth and showing their colors. It will truly be a fight to the finish. So, in these final days, a ronin and his young boy will visit the grave of their murdered wife and mother. It just might be the last Spring the two will share, like the many petals falling from branches. This volume contains the following stories: Child of the Fields In These Samll Hands Kaii Triumph The Last Cherry Blossoms Stone Upon Stone
