Von Virginia Stem Owens : Looking for Jesus before purchasing it in order to gauge whether or not it would be worth my time, and all praised Looking for Jesus:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent insights to the life and parables of Jesus.Von Ein KundeThis book could easily be read as a daily devotional, each chapter being short in words, but full of thought-provoking material. This book helps one push pass the stereotypical and well-known portrayals of Jesus and takes the reader to a level with Christ that far too few Christian writers have been able to accomplish.I have read numerous books about Jesus Christ and this book brought to life once

again my intrigue and passion for him. More than a historical review, each chapter looks at cultural, social, and spiritual meanings often overlooked in the Gospels. For those really Looking for Jesus, especially those who have already met him, but would like to know him, this book is a must read.0 von 0 Kunden fanden die folgende Rezension hilfreich. Finally, answers to my doubts and questions re: the BibleVon Ein KundeVirginia Owens is not only a knowledgeable Biblical scholar, but an entertaining writer, as well. Not only did she adress my myriad doubts and questions about Jesus and the Bible, but she actually made sense of seemingly nonsensical parables. By explaining the sociology of the era and the reasons for the choices Jesus made, she brought understanding and enlightenment to my weary soul. Her practical and lighthearted style make this an easy and irresistible read. I wholeheartedly recommend the book, especially for those whose concept of Jesus has outgrown a childish belief.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Pearl of Great PriceVon Ein KundeA beautiful meditation upon the everyday details and context of first-century Palestine that adds adjectives and adverbs to the Gospels' action and dialogue. A thoughtful and thought-provoking piece that is faithful to what is written in the Scriptures, and celebrates the gift of imagination, as well. Bravo!

KurzbeschreibungThis stunningly fresh and original volume explores the person and work of Jesus as seen through the eyes of a wide variety of people who encountered him face-to-face during his lifetime. Reflecting on thirty Gospel stories, Virginia Owens suggests how certain characters--such as Mary Magdalene, the Samaritan woman, Zacchaeus, and Nicodemus--dealt with Jesus. With her retelling of each scenario we see Jesus' character take shape as the biblical personalities come to life. Indeed, Owens finds that how Jesus acts, particularly in relation to other people, reveals as much about him as his teachings.KurzbeschreibungThis stunningly fresh and original volume explores the person and work of Jesus as seen through the eyes of a wide variety of people who encountered him face-to-face during his lifetime.
