remote Irian Jaya, not just for the odd social Yali customs, not just for the bravery and determination of the missionaries who lived among these cannibalistic people, but because Richardson is a superb storyteller who knows how to blend fascinating tales with a good dash of suspense. It took very little effort to read this book as I was so caught up in the story that it was hard to put down. Recommended reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. Real life,action,suspense,gutsy,determination against oddsVon Ein KundeThis book is probably the best I have read. It puts you in the picture with excellent detail yet easy to read. Not to mention the real life suspense of the Yali mountain tribe people and the sheer guts and determination of missionary Stan Dale. If Spielberg wants to make another great movie like Schindlers List, this would have to be it.0 von 0 Kunden fanden die folgende Rezension hilfreich. excellent!Von lisa lords of the earth is an excellent book! every time i read it i am amazed at God's grace and divine providence. don richardson is an excellent writer. his vivid description makes this amazing true story come to life. i've read it several times, and each time i just can't put it down.

KurzbeschreibungEngulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions, and thousands of Yali tribesmen in Lords of the Earth. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in Lords of the Earth.KurzbeschreibungEngulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth.
